Remember the times from fickle freshmen to super seniors? Where have the years gone? Making friends, getting involved, growing up.

But it's easy to forget a face. These portraits will help.

F R O S H

1. Vice President Lisa Forry and President Matt Cross. 2. Secretary Karine Kanikkeberg and Treasurer Carlos Chavez.

The Freshman class started their year off by electing class officers. Before the election, speeches were held in the Lecture Center to acquaint the class with the candidates.

Election day, October 7, was the day Foothill's newest class found and a voice.

Getting blinded by the sun is one of the things I have to go through when talking to those senior skyscrapers. I get tired of looking at their belt buckles . . . I wonder if I'll ever be that tall, I hope so. I don't want to go through life known as

mouse

Even opening my top locker is a problem . . . I either have to stand on my books or get a skyscraper to open it for me. I wonder if they sell growing pills in the student store.

1. There's more than an age difference between seniors and freshmen, as senior Tim Warren and freshman Ron Tinsley demonstrate.

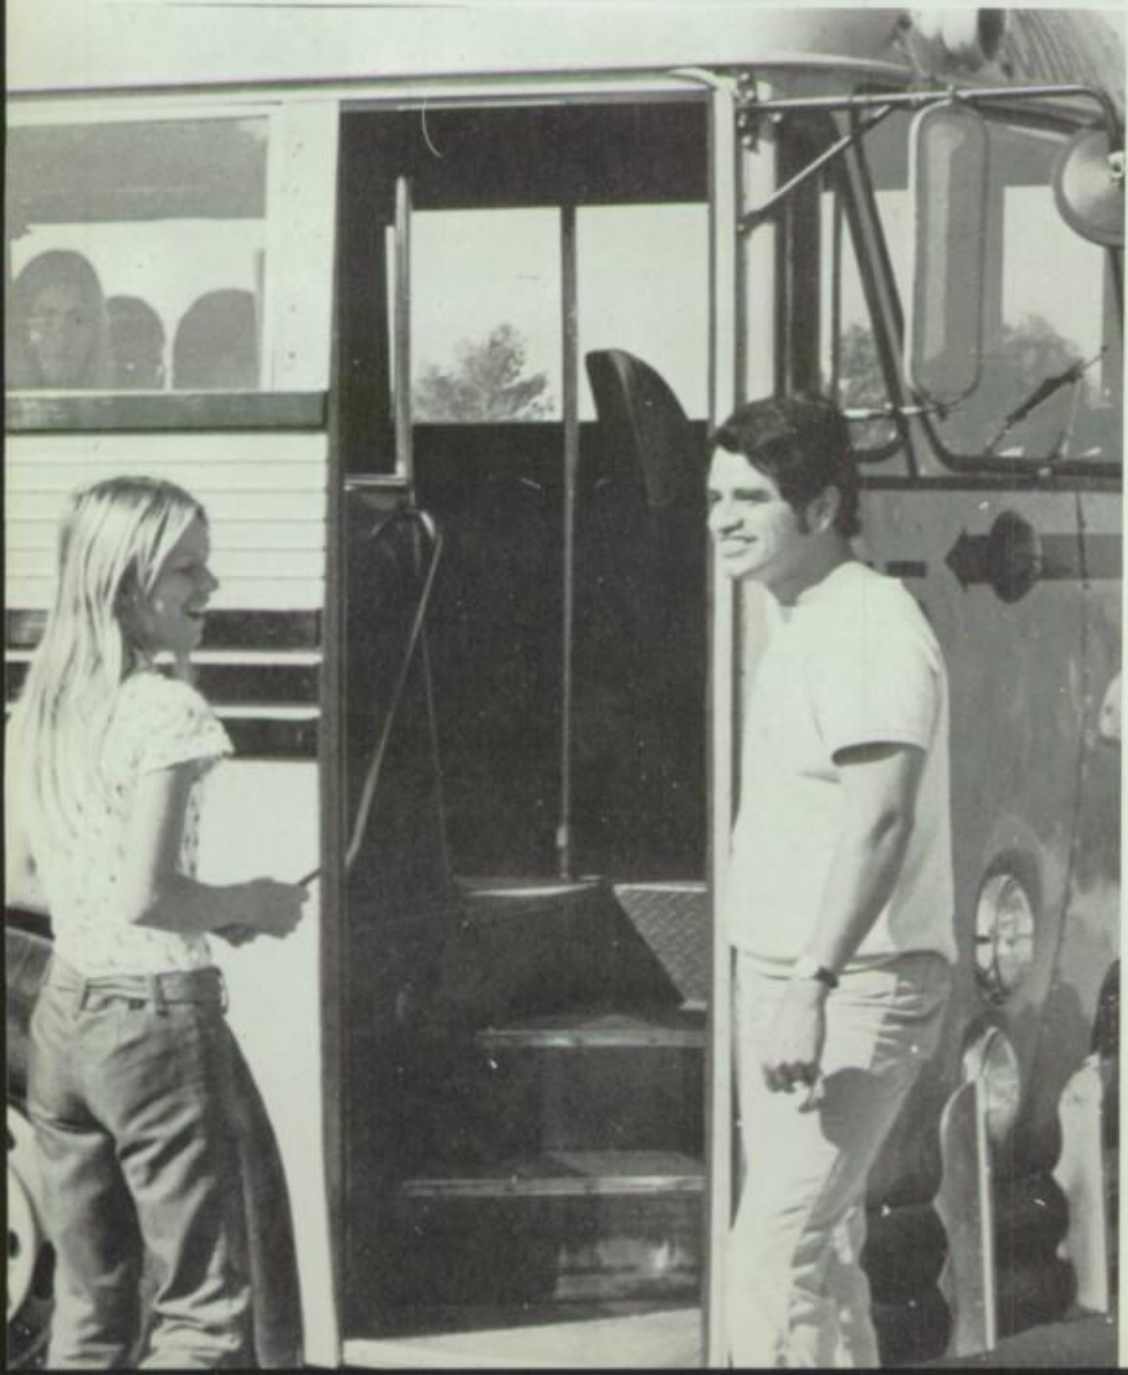

1. Football students impatiently wait to board the bus home. 2. Freshman Marilyn Taber cracks jokes with her friendly bus driver.

1

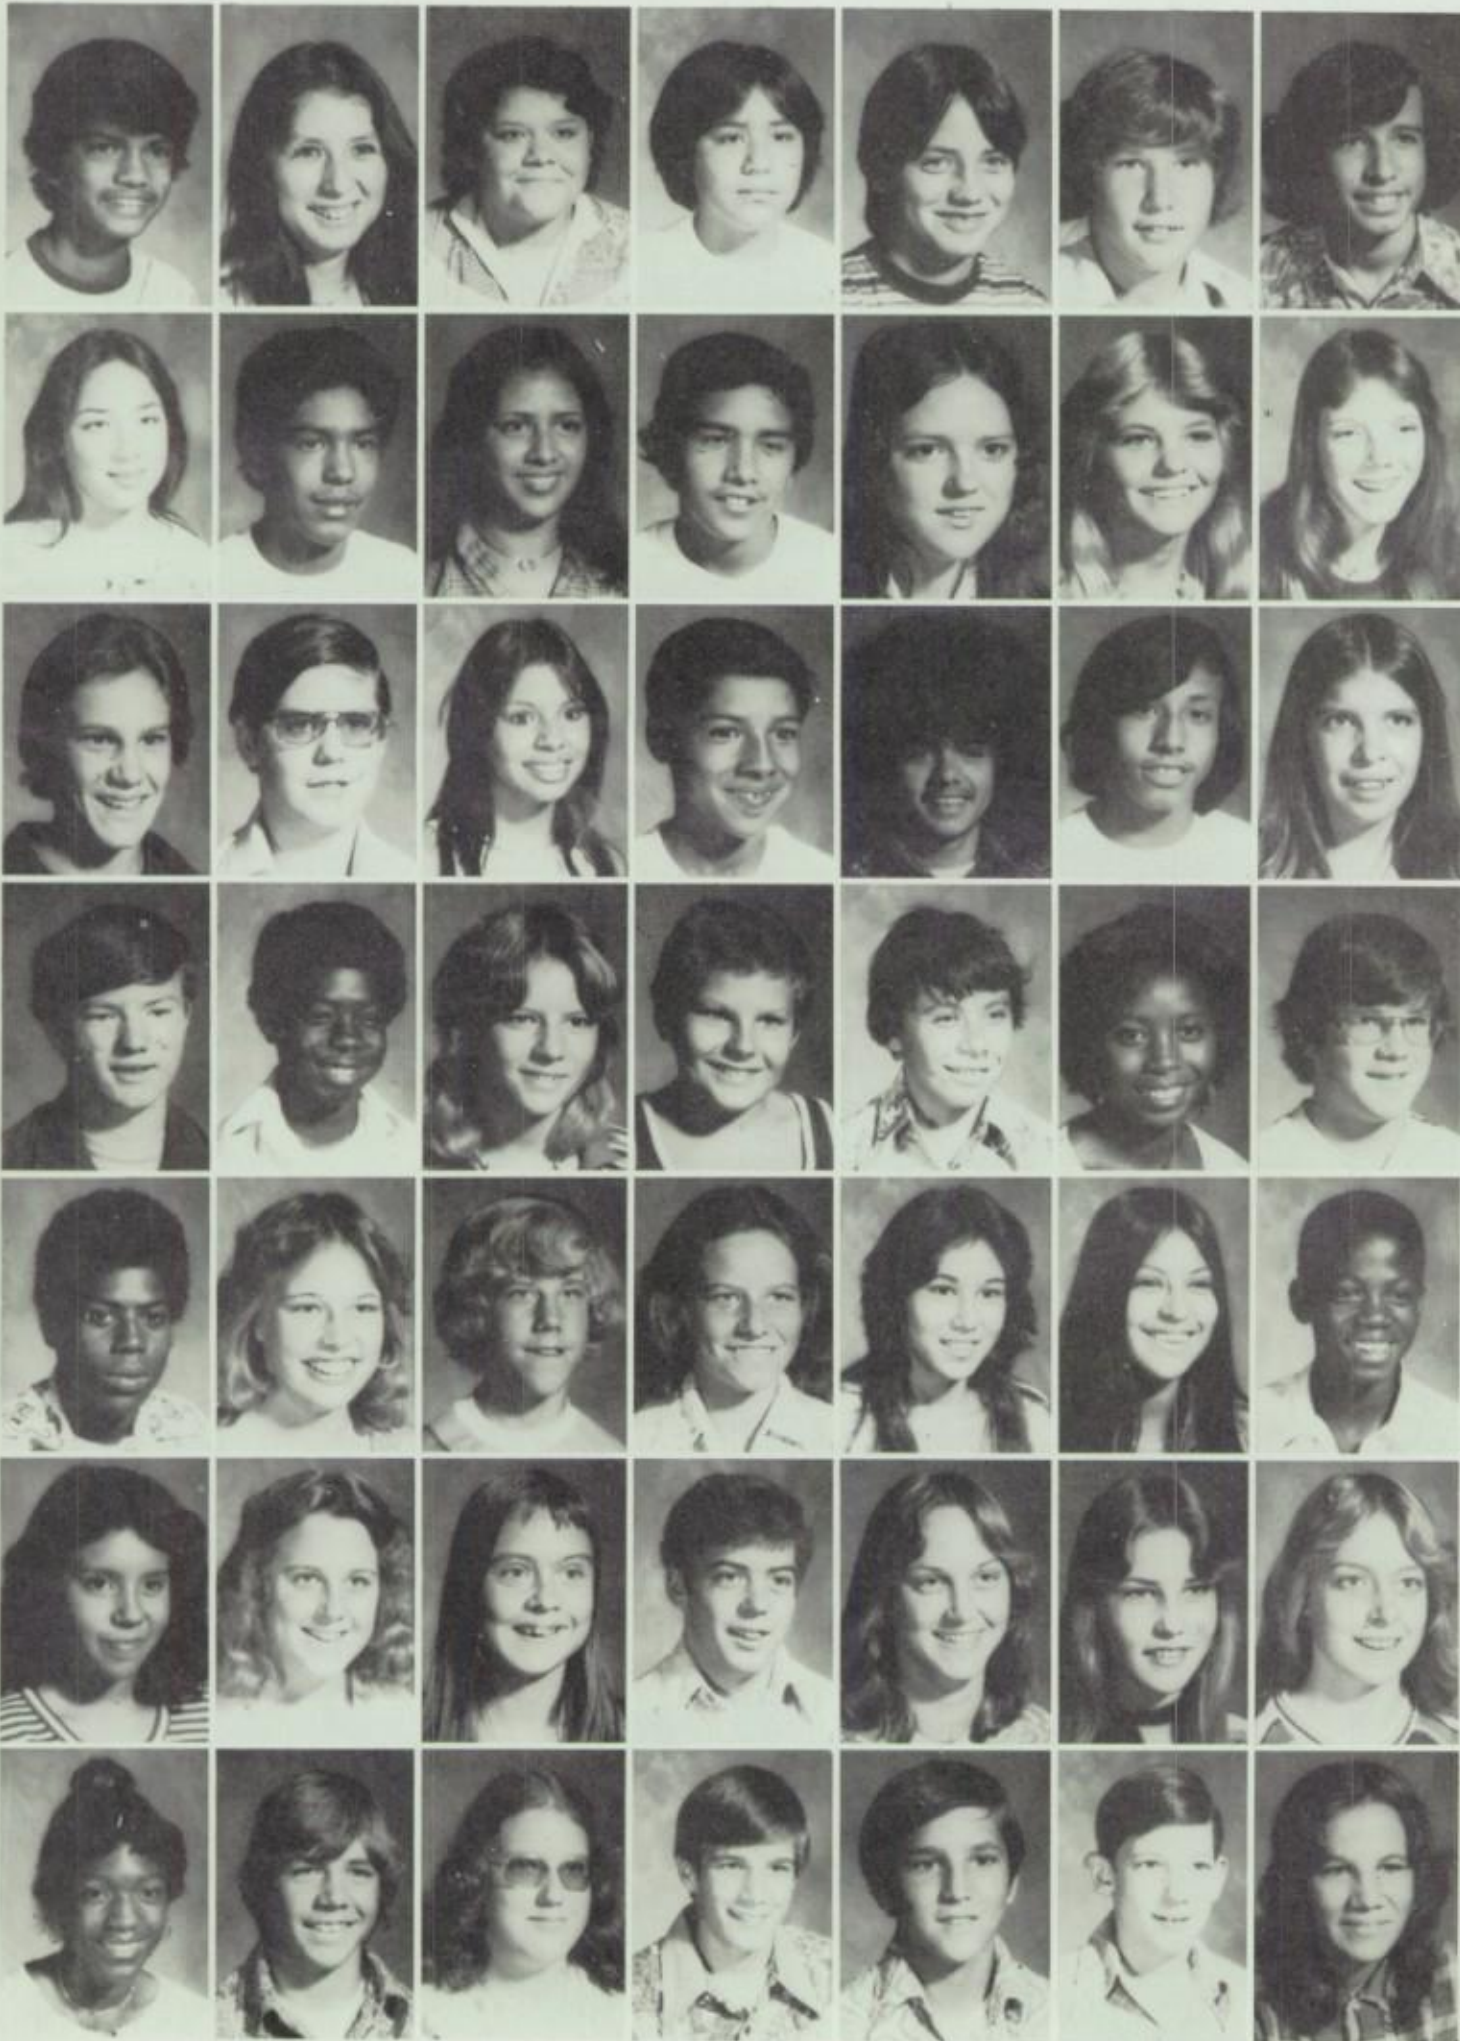

2

Since you have to be at school before you can learn, getting to school is a very important part

of freshman life. Much time is spent on **buses** that are frequently overcrowded. The supervision is often in the hands of a young college student who must drive and also keep his passengers under control.

Riding the bus is often inconvenient because many students must get up very early to catch their buses for the time-consuming ride to school. The drivers generally do a good job about getting the students to school on time. Riding the bus may not be very exciting, but it is necessary.

I don't want to start high school . . . I'm **scared** After all, I was just getting used to junior high. Now here I am surrounded by all these new faces.

How do they expect me to figure out this schedule? There is no way; I can't do it. Where is H-3? I'll get lost . . . how will I find my classes?

They're not going to make me take my clothes off in P.E.! I won't do it . . . I'm not going to take a shower in front of all those people. Maybe next year I'll relax.

1. Freshmen Ernesto Reyes and Juan Oviedo find friendship at Foothill.

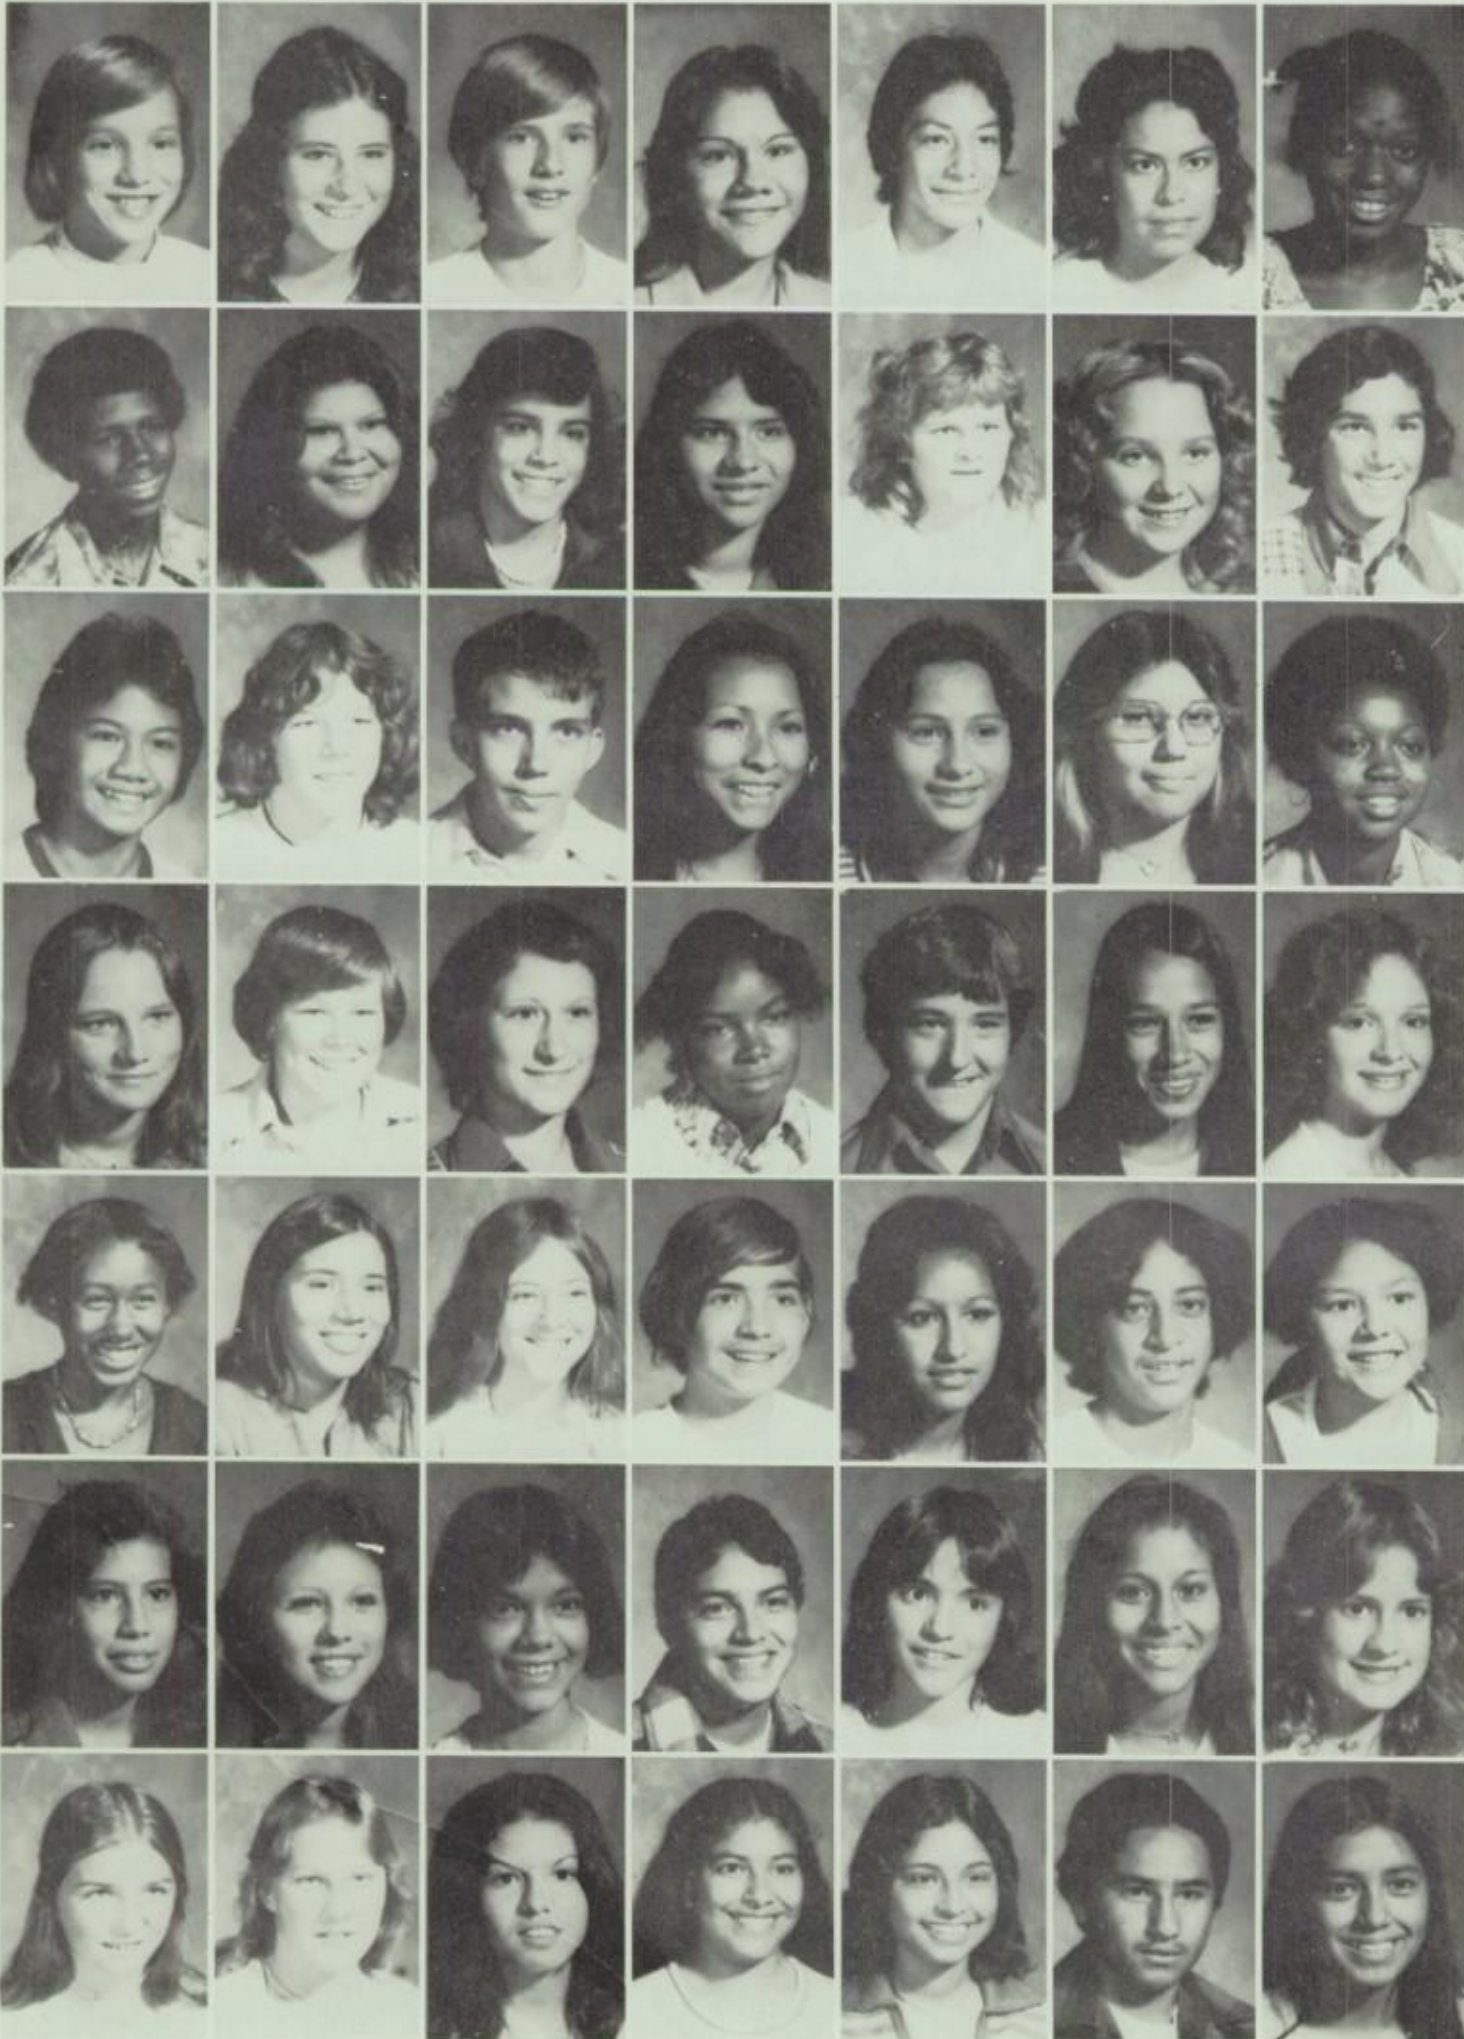

2. Shelly Starr, Sherry Starr and Michelle Ward at a freshmen gathering.

We waited all summer for the beginning of our freshman year, then at the last minute we got

scared, wondering "who will I talk to and hang around with?" "What if no one says hi?"

Our questions were soon answered when we appeared for the first day, welcomed with a big smile by almost everyone. Before we knew it, we had more friends than we ever thought possible, friends that would stick by us through the next four years of high school.

Sophomores this year had a wide selection of class rings. They were given a choice of over

thirty different **designs** from which to choose. The choice enabled them to have almost anything they wanted on the side, from their name to their favorite sport or club.

Not only the choice of what went on the side of their rings was left up to them. They were given the choice of what color stone they wanted in their rings also. If they wanted some kind of an emblem on or in their rings that was up to them too.

The prices ranged from \$48.00 to \$97.00.

Every year many sophomores reach the golden age of 16, after which they are eligible to take their long-awaited driver's licence test.

No longer will they have to depend on mommy to cart them around or double date with an older friend. This is a major event for all of us.

1. Lory Pennington and J. R. Lewis review the information bulletin for the Proficiency Test.

As sophomores reach sixteen they now become eligible to take the Equivalency test. The formal name of this test is the California High School Proficiency Examination, given now to stu-

dents sixteen or older who want to **leave** high school before graduating. The passing of the exam and parent's consent enable sixteen year old students to finish school with a certificate of proficiency.

The test was given at three different intervals throughout the school year by the Educational Testing Service in Berkeley. A fee of \$10.00 was charged for taking the test.

This past year our officers were with numerous activities. President Eric Cartegena had the responsibility of seeing that everything was done. He had help from Vice President Mandy Blake, Secretary Lisa Baker, and Treasurer Sherry Hawley to see that all these tasks were accomplished.

At the beginning of the year our officers put a lot of work into the magazine sale. Later came other activities such as a dance and a playnight to help pay for the Junior-Senior Prom held at the end of the year.

A requirement for graduation is History, taken during a student's junior year.
History classes were held at the far end of the campus in the "F"

wing. Instructors Mrs. Fulcher, Mr. Caffee, and Mr. Hart did their best to highlight American History in our Bicentennial year. Juniors were seen around campus carrying thick history books and cramming in corners for exams taken at mid-term and at the end of the course.

2. The test booklet seemed confusing to many.

Scores of the Preliminary Scholarship Aptitude Test taken by juniors helped show if we qualified for the National Merit Scholarship. Mrs. Caffee, finance secretary, collected \$2.75 from each to take the test October 19. A bewildering information folder was to help us do well on the test - all we had to do was to figure out the folder! Two hours of mental

sweat later it was over. Did we do well?

The class of '78 carried out the Junior Class Magazine Sale inspired with the prospect of raising needed money - and perhaps winning one of the prizes for top **sales**

October 25th to November 5th was the time allotted for the ambitious ones to outsell the rest in total sales. Top salespeople took home prizes of turquoise jewelry, skateboards, radios, and cameras. The \$1,800 profit went to finance our Junior Prom.

college

Juniors were busy this past year setting up appointments with representatives. Whether they were interested in college or just interested in getting out of class is unknown. Much thinking was going on in the minds of juniors as future choices were investigated.

Next year's graduation seems only a few steps away.

People often wondered why the class of '78' was always smiling around campus. What's to **smile** about? With only one year left of our high school days we were eager to find out about the bright sparkling world after Foothill. Looking towards the wonders of the future - careers, marriage, voting, drinking, and just plain living - juniors are anticipating a thing known as life.

The annual Kern County Fair was different from past years. The fair was relocated to the north end of the fairgrounds to prevent problems.

The fair lasted from Sept. 24 to Oct. 2 and during that time the Miss Kern County Pageant, a special one-night appearance by Flash Cadillac and the Continental Kids and other forms of entertainment were featured.

Foothill students are active on and off campus. Seniors Gary Stotler and Brent Morris showed their pigs. Juniors Judy Stotler and David Smith exhibited sheep. Sophomore Becky Elliot displayed her steer and Freshmen Judy Ferris and Charlotte Taylor showed their sheep.

"No person in the United States shall on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program or activity receiving Federal Financial assistance."

- The Educational Act of 1972 (Title IX)

Title IX has meant specific changes at FHS. All P.E. classes are now co-ed. The girls athletic program was enlarged, and they can now participate with boys in all activities except contact sports. Title IX has meant the addition of girls softball, basketball, and a frosh-soph volleyball team.

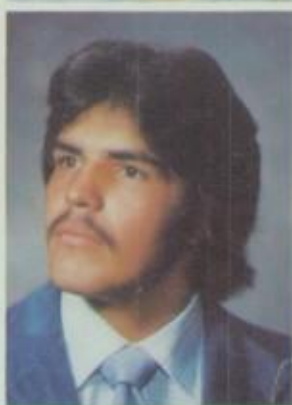

The entire FHS curriculum was reviewed to remove instances of sexual bias.

Eighteen year old Foothill seniors took advantage of their first chance to **vote** in a presidential election. Since the legal voting age was lowered to the age of 18, some high school students are now qualified to vote in local, state, and national elections.

This privilege is one that should not be taken lightly. It was a responsibility that gave us a chance to have a real say in government.

Outstanding Senior

Outstanding Seniors Nannette Gonzalez and Tim Warren

Tim Warren is a man of many interests. A 4.0 GPA scholar, he also made the time to run the 120 yard high hurdles for four years and letter in varsity basketball. He was active in several clubs, including John Muir, CSF, and Block F.

Tim was honored as a Freedoms Foundation Seminar selectee and was voted the outstanding delegate at the American Legion Boys' State convention.

Highlighting Tim's FHS career were awards which included the Bank of America Math-Science Award and a National Merit Letter of Commendation.

Tim plans to enter college next year as a science major.

One of the

brightest

personalities of our class, Outstanding Senior Nannette Gonzalez has been a leader all four years. Beginning as a Freshman Class Secretary, she went on to hold offices in Spear and Shield, was a JV cheerleader, and became student body president her senior year.

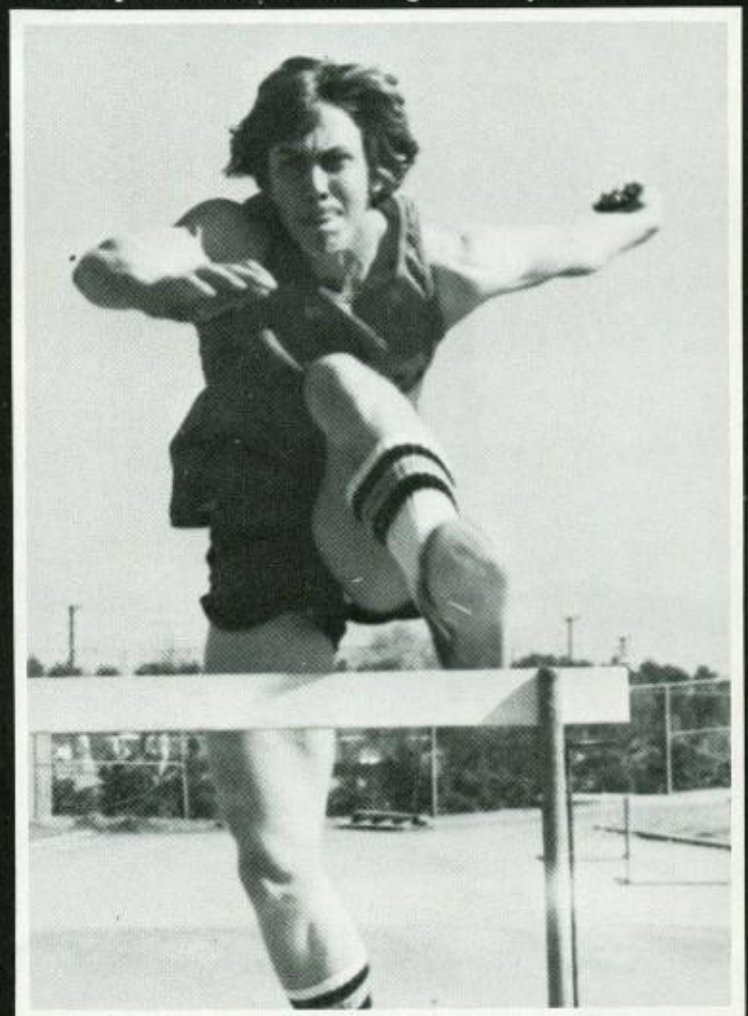

Always active in our Drama Department, she also lettered in cross-country and was a member of Ski Club.

Nannette has been an honor roll student for four years, and she received the Glendon-Rodgers Award and Optimist Club Leadership Award - while holding part-time jobs all four years.

She plans to enter college next year.

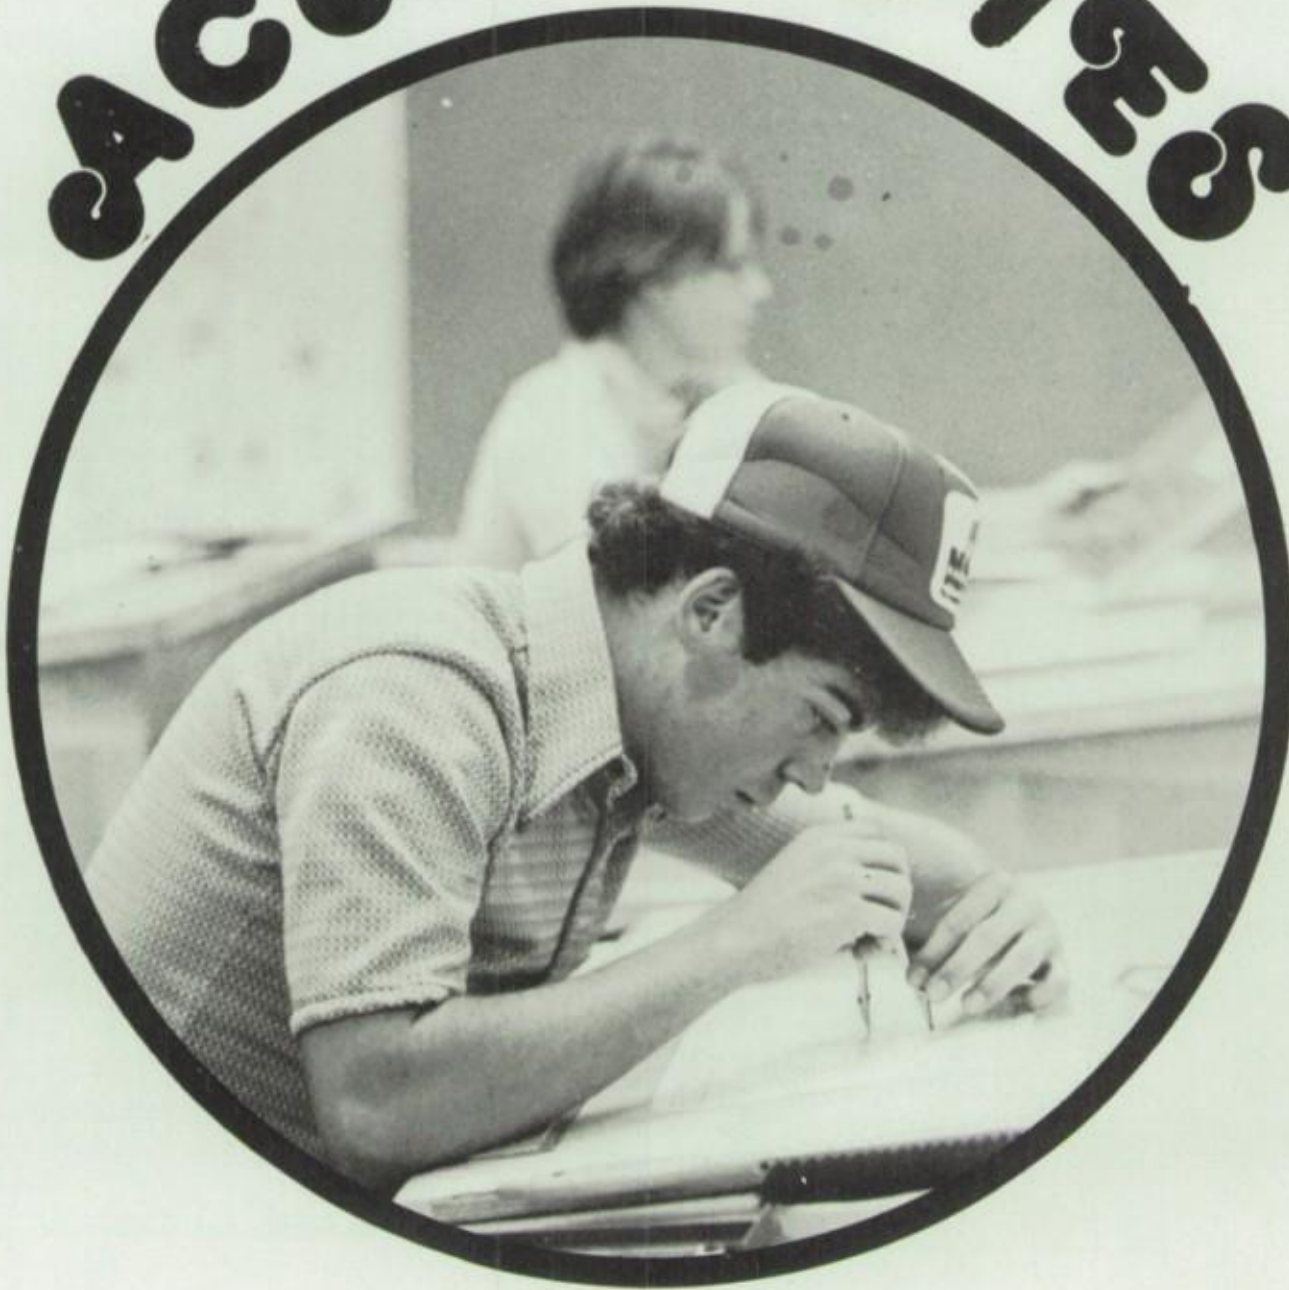

Nannette also makes her own clothes.

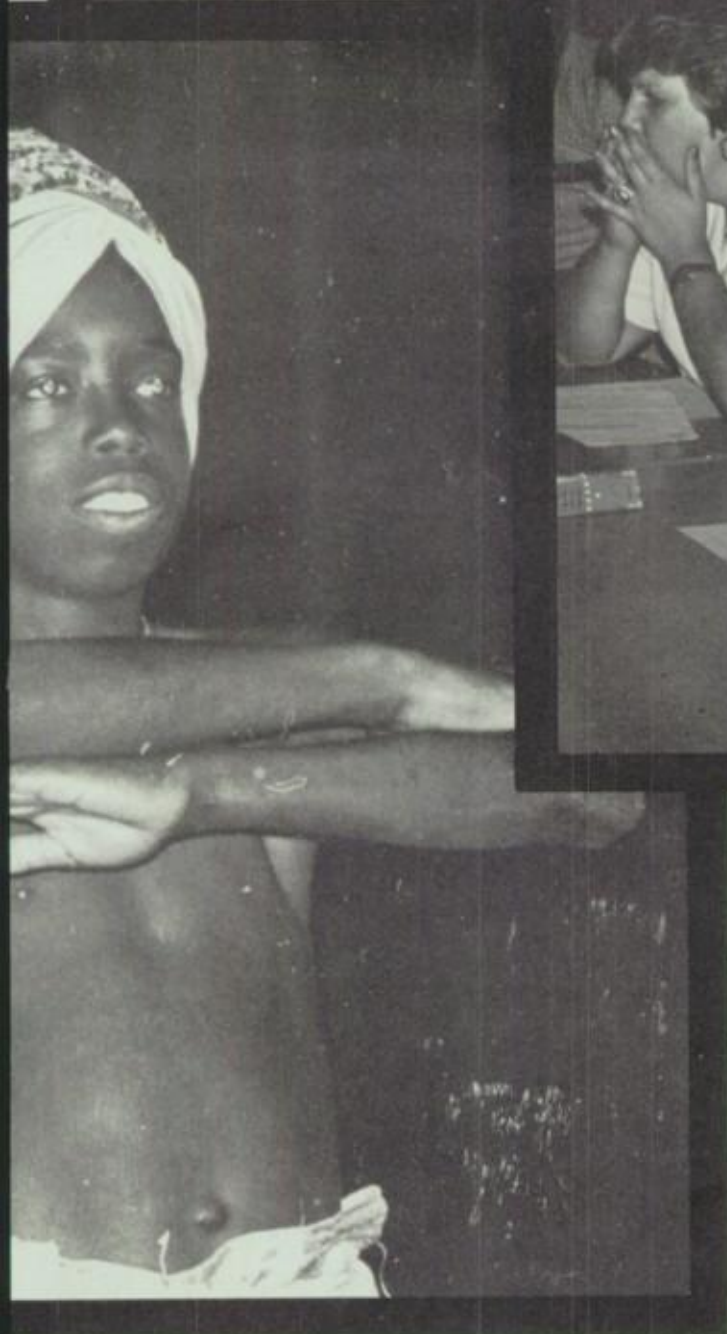

Tim hones his hurdling form.

Remember when you were first asked to go to a prom? You really weren't sure of how to act or what a prom was about.

By your Senior year you could hardly wait 'til a prom or dance was announced. In four years you change, you grow.

History Week involved the work of many students, teachers and parents from Foothill and other schools. The planning for Black History started in December.

The theme, "Rising Up From Roots," was chosen by the students involved.

The week's activities included a candy sale and guest bands who entertained during lunch.

Advisors Ted Johnson and Gloria Winfield were instrumental in shaping the program.

Foothill's 1976-77 Homecoming was an exciting night, not only for Homecoming Queen candidates but also for the

fans

The Foothill team lost a close one, 14-13, to a determined West High team.

November 12th started with a high-spirited rally, the tension growing for the Homecoming candidates as the day passed.

Finally the time came to crown the new Homecoming Queen. The crowd, the band, and drill team grew quiet as the loudspeaker announced the candidates: Leslie Fulmer, escorted by Marvin Davis; Jackie Holliday, escorted by Kevin Stokes; Irma Nino, escorted by Tim Reese; and Annette Gonzales, escorted by Roman Gutierrez.

The band played, "She's Some Kind of Wonderful," as the Homecoming Queen was announced, . . . "The winner is Irma Nino!"

The after-game dance was put on by the cheerleaders, with music provided by "Uncle Famous."

The loss of the game seemed to be forgotten as the band played on.

The 1977 *Aurora Staff* was smaller than usual, so each member had more responsibilities. We helped each other meet deadlines, dig up pictures and prepare layouts.

Like other clubs, the Aurora needed to raise money. This year the staff sold more than \$3,000 in advertising to help offset our \$11,000 book.

A lot of our thanks goes to editor Michelle Maurice and assistant editor Ellie Womack, who worked overtime meeting their own deadlines plus patching up our mistakes.

We would also like to thank Mr. MacGuire, our advisor, for bringing us through the year, and give a special thanks to Miss Opperman's photography classes for our photographs.

Another book is finished, but - wait'll next year!

The *Orchestra* joined with East High School Orchestra as the Eastside Symphony for the Fall Pops Concert at Foothill.

They performed without the EB group for the Christmas and the Music Festival. The Eastside Symphony also performed for the Music Festival in March and a Spring Concert at EB in May.

The highlight of the year was the Eastside Symphony tour to Catalina Island in May with advisor Norris Miller.

The *Band* performed in four regularly scheduled football games and three playoff and the Valley Championship games, traveling to Fresno twice to support the team.

The Pep Band played at all home JV games and at all away JV and Varsity games, as well as at the rallies.

The band marched in the Veterans Day Parade and performed in the Potato Bowl pregame pageantry. They received second place in their division at the Arvin Band Halftime competition.

The band participated in the Music Rating Festival in March and presented the spring concert under direction of Norris Miller.

The "Carbon Copies" chapter of Future *Secretaries* Association consists of students from Bakersfield, East Bakersfield, FHS, North, South and West High schools.

Students must be at least sophomores, enrolled in a business course, and maintain a GPA of at least C.

FSA purpose is to create interest in the secretarial field and to encourage continuing education through association with those engaged in the profession.

Front Row: Michelle Hobbs, Tracy Barton, Nann Gonzalez, Ann Gonzalez, advisor Phyllis Jung. Row Two: Holly Peterson, Kim Cramer, Joanie Greene, Bonnie Reid, Annette Muncy. Row Three: Jackie Holliday, Teri Hess, Beverly Sweat, advisor Adrienne Cooper, Felecia Stanfill, Debbie Keyes.

This year *Spear and Shield* raised money through a pom-pom sale and sucker sale to help keep down the cost of "Winter Wonderland." The 1976 Christmas Formal was their main school project. The formal had another large turnout this year, and the unique formal pictures with a "winter wonderland" background

were well received.

Profits from the formal went to scholastic service scholarships awarded to senior members of the club.

Advisors were English teachers Adrienne Cooper and Phyllis Jung. Club officers were President Tamara Thompson, Vice President/Secretary Annette Gonzalez, Treasurer Cindy Scheer, and Publicity Jackie Holliday.

LaRaza

sponsored the annual Cinco de Mayo Assembly, along with a Cinco de Mayo enchilada dinner and program. They also held a faculty Christmas tamale sale, car wash and sponsored a Chicano Youth Conference held at East Bakersfield High School.

LaRaza member Irma Nino was Homecoming Queen,

and scholarships were awarded to deserving members.

Tom Garcia and Julio Mercado were LaRaza advisors. Officers were 1st Chairman Anna Garcia, Corresponding Secretary Vivian Ball, Recording Secretary Rachel Garcia, Treasurer Alberto Garcia, Representative Roman Gutierrez, and Historian Irma Nino.

Front Row: Advisor Julio Mercado, Christina Juarez, Diana Nino, Patsy Casillas, Gloria Tercero, Beatriz Reyes, Ruth Ruby, Kathy Mojica, Pat Juarez, Petra Diaz. Row Three: Dale Jordan, Felecia Stanfill, Steve Winters, Phillip Britton, Emma Spitzer, Greg Kunder, Steve Black.

Dedicated to the memory of Rosie Rodriguez. Rosie was an active member of LaRaza Mexicana, aiding in the club's fund raising activities. Her voice was part of Mixed Chorus.

She will be remembered and missed.

The California Scholarship Federation is open to all stu-

dents with a high *grade* point average in college-preparatory classes.

This year's successful candy sale and car wash were held to raise funds for scholarships and a visit to the UCLA campus.

Advisors were Jo Fulcher and Elise Wainscott. CSF officers were President Phillip Britton, Vice President Ronnie Myers, Secretary Rebecca Diaz, and Treasurer Kathy Craig.

The *Troyettes* participated in the Bicentennial and Veteran's Day Parade. They performed at Bakersfield College halftime for the Bicentennial and at all home football games and playoffs.

Troyettes placed second in the Arvin Band Competition.

The girls raised money selling ribbons, rooster pins and had a booth at the Pleasure Faire. Dorothy Morey was club advisor.

Front Row: Virginia Fernandez, Sandra Gil, Tammy McElwrath, Sabrina Burrell, Trina Burrell. Row Two: Olivia Terrazas, Sonya Alvarado, Rosie Marquez, Tessie Patton, Phyllis D'Amato, Lupe Saenz, Becky Diaz. Row Three: Valarie Turner, Laurette Turner, Donna Price, Bonnie Reid, Stephanie Johnson, Lorilee Deuel, Mary Verdín, Deborah Hayworth.

The *Photo* Club raised money by sponsoring the Pleasure Faire and having a photo button booth. They also held a candy sale and car wash. Profits went towards a field trip to Yosemite.

EPIC

— "A long narrative poem celebrating episodes of a people's heroic tradition."

If anyone needs an example of the old saying 'looks are deceiving,' all they need to do is walk into E-7 some Wednesday after school and watch a dozen people carrying on like chickens with their heads cut off, trying to put out a newspaper.

But the finished product of this madcappery was, we think, one of the best student newspapers in the valley. On the EPIC, we try harder!!

Remember your first experience with FHS sports? Whether it was the first tentative step into the freshman locker room or your last sprint onto the track for baseball tryouts, it was filled with excitement.

Sport was a big part of our life at school, whether as a straining athlete or a cheering fan.

We had many adjustments to make and shed many tears of victory and defeat, but all in all we kept our Trojan pride and spirit high.

Helen of Troy Rachell Villicano worked hard to keep spirit high by organizing rallies and practices. She helped keep the girls in top form while leading our Trojans on.

"This year was truly a fine year from the standpoint of getting the most out of a team's ability," commented head coach Ned Permenter.

The Trojans ended the season with a 9-3-1 record and **second** place in the Valley Finals. Season highlights were the 10-16 win over Edison and the 30-15 playoff victory over Reedley.

Foothill's losses were to Antelope Valley, West and Sanger. These three teams only lost a total of two regular season games among them.

Kent Williams, Scott Settle and Frank Dorado were selected All-City, and Settle was picked Back-of-the-Year.

Several players made the S.Y.L. seacond team: David Greek, Ralph Rizo, Ron Magsby, Jessie Ray, and Ted Pierce.

Injuries hurt the squad but didn't stop them. Quarterback Jamie French missed the first seven games with a shoulder injury, and tailback Ron Magsby and tight end Ted Pierce missed three games each at the end of the year.

Magsby gained over 1,300 yards, while Settle had over 700.

David Staats set a school record of six field goals and the most points ever scored by a Foothill kicker.

Team awards were: Most Valuable and Most Inspirational were awarded to Scott Settle, Kent Williams received Most Outstanding and Ralph Rizo was selected as Most Improved.

Outstanding Non-Senior Back went to Frank Dorado, James Duran was chosen as Outstanding Non-Senior Lineman, Non-Lettering Player who best Exemplifies Trojan Spirit was given to Leonard Marquez, and the McLemore Award went to Ron Magsby.

The 1976 version of the Titan football team combined excitement and Finishing half a game out of first place for the second time in four years, coaches Steve Roberts and John Minear were scratching their heads, thinking in terms of near misses.

All things considered, with an extremely young team that saw four freshmen and an abundance of sophomores in the starting lineup, the coaches felt the season was a successful one.

Highlights of the year saw tailback Willie Morgan becoming the all time leading rusher in J.V. history, and the Titans defeating West for the first time in eight years. Other outstanding players were Mark Selbach, Blake James, Javier Gonzales and Scott Hunter.

Team awards were: Most Outstanding went to Mark Selbach, Blake James received Best Defense, Highest GPA was awarded to Darren Kerker, Best Offense went to Willie Morgan, Javier Gonzales was selected as Most Inspirational, Scott Hunter was chosen as Most Improved and Gilbert Tinoco, Mark Selbach and Archie Harris were selected as Team Captains.

The Frosh-Soph season seemed to be a of the record book, with halfback Roberto Martinez breaking the single game rushing record with 331 yards against BHS, and a new record of 1682 yards gained in a nine game season. The previous best was Ron Magsby's 879 yards in 1973.

The offensive team set a single season record of 2786 yards for nine games.

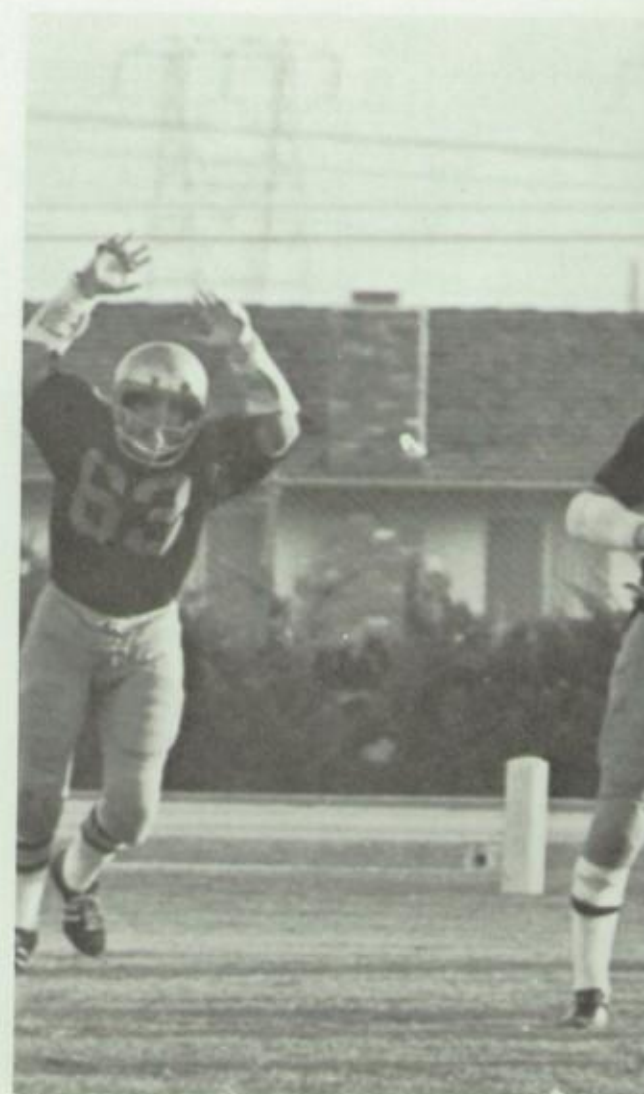

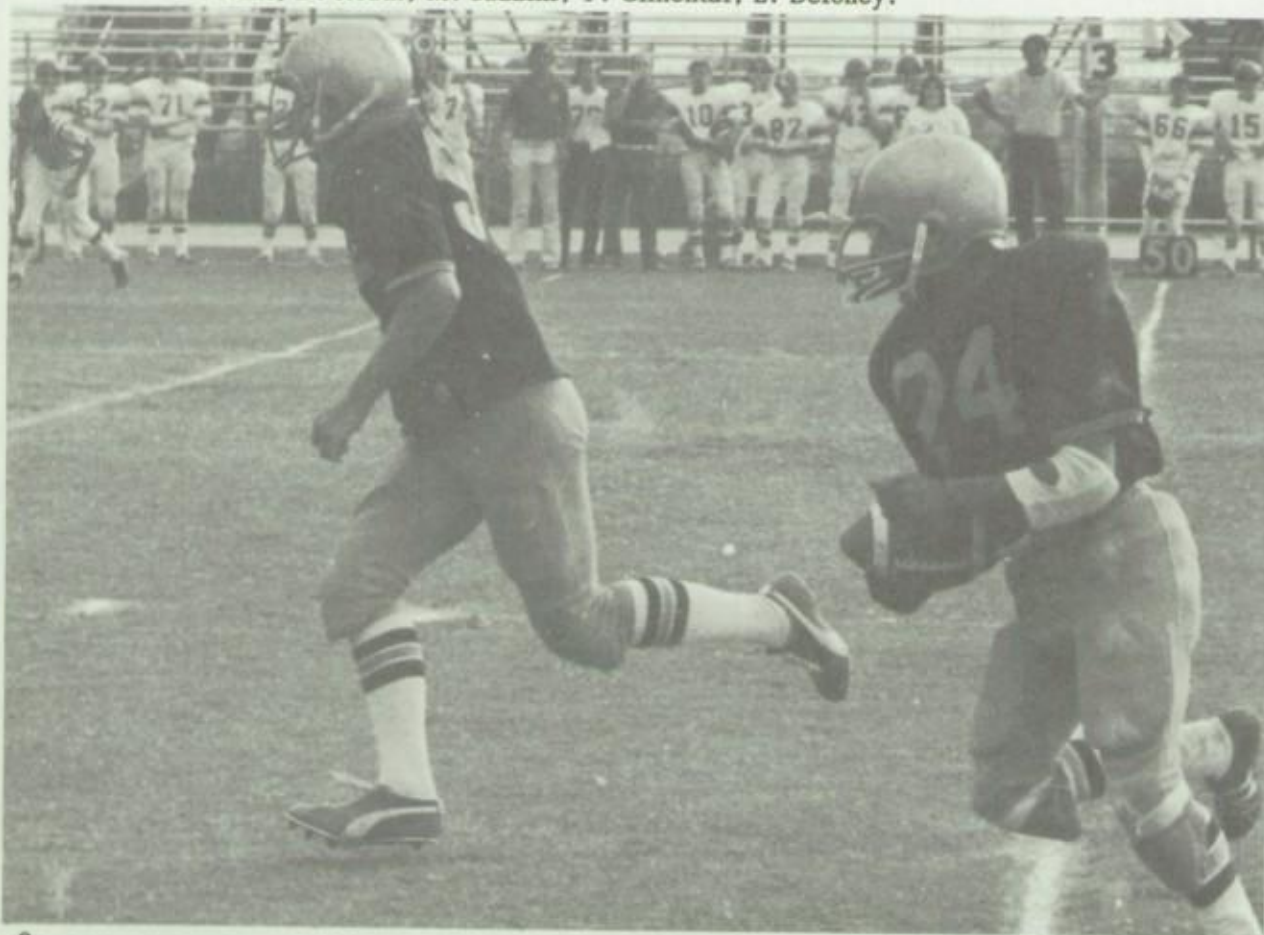

Team standouts were halfback Roberto Martinez, fullback Daniel Marquez, defensive back Fernando Ozeata, quarterback Vance Ezell, and defensive end Phillip Montellano.

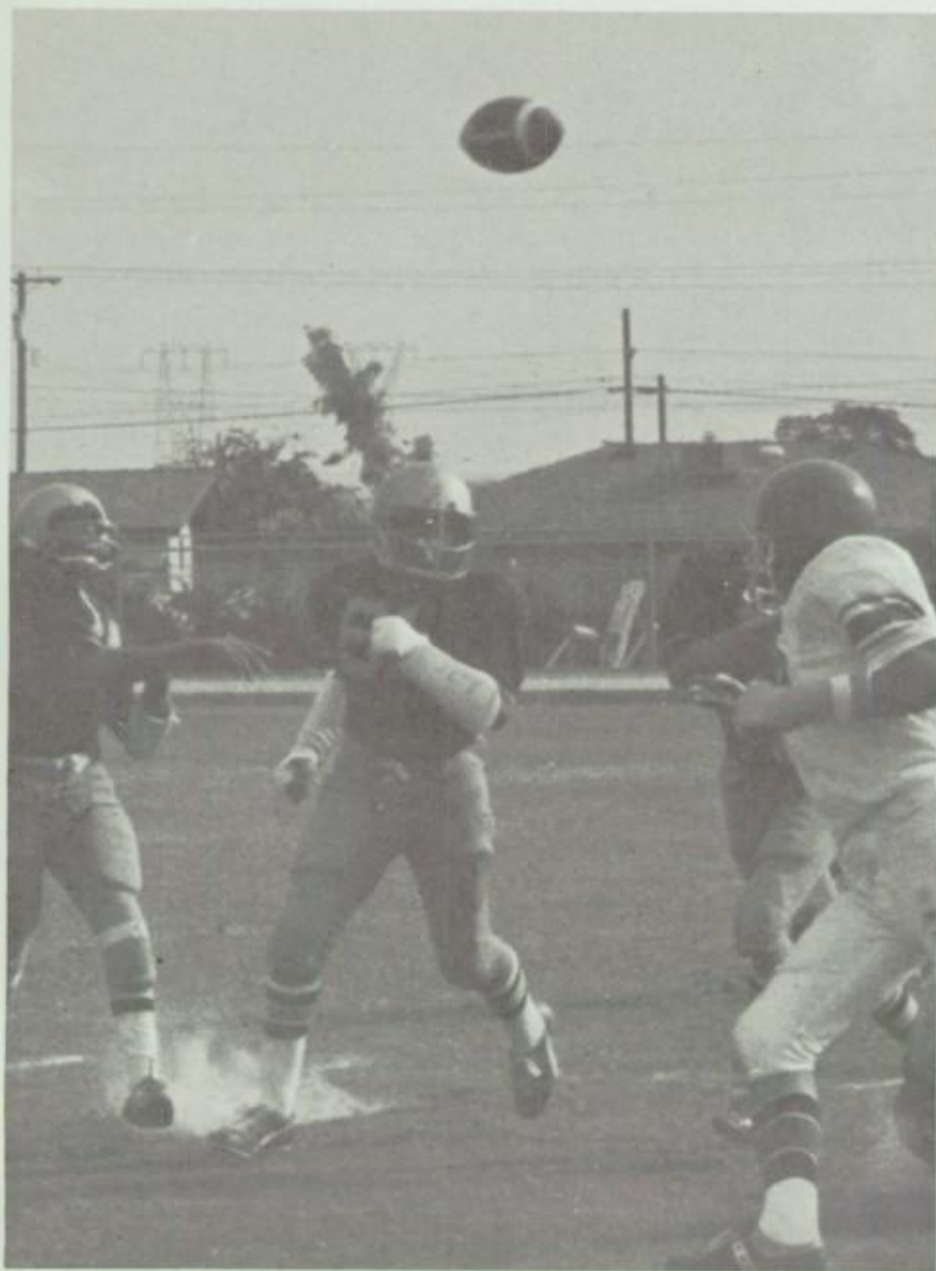

"These players would probably be the first to admit it takes a total team effort to win, and as the coach I could have listed every offensive linemen as a standout, including one fine wing, Robert Robinson," commented coach John Thomas.

Not many teams can lose six potential varsity athletes and still have a winning dual

meet season and **perform** creditably in the championships. Yet that is exactly what our varsity squad did this year. Special accolades must go to Roman Gutierrez, Frank Escalera, and Chris Carbajal for a good effort and a good season.

No other cross country runner has ever performed as well as Roman Gutierrez. He has just had a great four years, especially his junior and senior years. It's a comforting

thought for a coach to know that you have a man on your team who will be with the leaders every race.

Frank Escalera is a person not blessed with all the ability in the world, but Frank got the most out of what he had and did a tremendous job this year. Chris improved dramatically at the end of the season, capped off with his medal winning performance at the South Area. He equaled the third fastest three mile time ever for Foothill.

This year's cross country team was a very young and inexperienced team. After a very slow start, the team began to pick up spirit and performance. Once the girls learned what it takes to run cross country, they became one of the most improved teams in the league.

Sandra Gil gave the team

leadership

and good solid performances. Belinda Rippy and Rosana Olmos gave the team togetherness. Patty Swaim and Annette Gonzales added spirit and pride to the team.

Although our record didn't indicate the fact, we were a very improved team over the year.

A final highlight of the girls' cross country season was the qualifying of Sandra Gil to run in the valley's first girls' cross country championship in Fresno.

Sandra, completing her career at Foothill in girls' cross country ran a tough race in her first attempt against championship class female athletes.

We were fortunate to get a good from last year's freshman squad - Lucero, Romero, Gallegos, Rios, Dallas, Reyes - and pick up some newcomers from a talented track team and elsewhere - Quijas, Miller, Wilson,

Merritt.

Our freshmen were undefeated in league duals, with 4 wins and 0 losses and won the championship at the SYL finals. Cipriano Carrillo was individual league champion and Estrada, Villareal, Ruiz, and Lucero all made the freshman All-League team by placing in the top seven. Mention must be made of Chris Valdez - Wasco Invitational champion.

This was a building year for the junior varsity volleyball team. The girls played very well, showing real class in some very tight situations. Although the season record was not reflective of it, the JV finished the season as a good all-around club.

Sophomore Linda Adame led the club in the

spiking

department, and a good solid job of setting could always be counted upon from the team's MVP, Liz Sanchez.

The back row was securely anchored by premiere bumper Cherie Revera. A strong unifying factor on the team was Norma Navarette, the team captain. Always showing great enthusiasm and the great hustler was Kelli Duffel. Consuelo Chavez was the most improved player.

Class volleyball was an addition to girls' sports this year. Mrs. Huth, a student at Cal State, coached a team made up of mostly freshmen out for the first time.

Freshmen Karen Rice, Jeana Horton, and Holly Peterson saw a lot of action during the season. Terri Pigg was the hustler of the team. Becky Blagg, Michelle Ward, and Denise Morger were the inspiration of the team. Johanna Fletcher, Margaret Fletcher, Susan Wooden, and Norma Villa added the extra confidence the team needed.

defending Valley champion Trojans set out to make it two in a row. The main came from members of last year's junior varsity team: David Andino, Tim Warren, Jarvis Naff, Henry Battle, and Rico Moore, along with transfer Gary Aguirre. The Trojans won the Kern invitational Christmas tournament for the first time ever, winning a thriller from BHS 45-44.

The team continued their streak of SYL wins, defeating their first five league opponents by an average margin of 27 points as they ran their victories to 17 in a row. The 18th was a loss to BHS, 78-74, in the Trojan gym - few will forget it.

Trailing the Drillers throughout the second round of SYL play, the Trojans continued the pressure by not losing to anyone, beating East in their gym for the second year in a row (Kern Country first), and setting up the final showdown against BHS in the final league game.

The winner would be SYL champion as BHS was upset by West. The Trojans won, coming from eight points behind and sparked by a slam dunk shot which electrified the crowd in the BHS gym. David Andino scored with 5 seconds to go for a 66-65 win. The Trojans were SYL champions.

Foothill advanced to the Valley semi-finals after beating Arvin and Bullard (Fresno) in the quarter finals, but dropped the semi to BHS.

The Trojans closed the season with a 24-5 record and a third place finish in the valley.

Frosh

With a record of 9-1 -Soph basketball had one of its best pre-season records in years. Highlight of preseason play included a first place in the Frosh-Soph Christmas Tournament and David Heath's 20 point average. Ricky White was then added to the line-up to fill the center position left open after Heath was injured.

After the first round of league play, the Lancers found themselves in second place with a 4-2 record. They ended league play with a 8-4 record, good enough for second place. Our most valuable player was Ricky White, best defensive player was Rick Morel, most improved Chris Valdes.

Junior

The 1977 Junior Varsity wrestling team ended the season with a record of 11-4, finishing first in the overall league standing.

The Titans had a 5-1 dual meet record in the league, tying with West and North. The team, however, won the SYL Tournament for the overall championship by outpointing West 161 to 130.

Fernando Saenz received the outstanding wrestler award for the tournament. First place winners for the tournament were Phillip Montelano, Dan Mundhenke, Fernando Saenz, Danny Mayberry and Kyle Marchant.

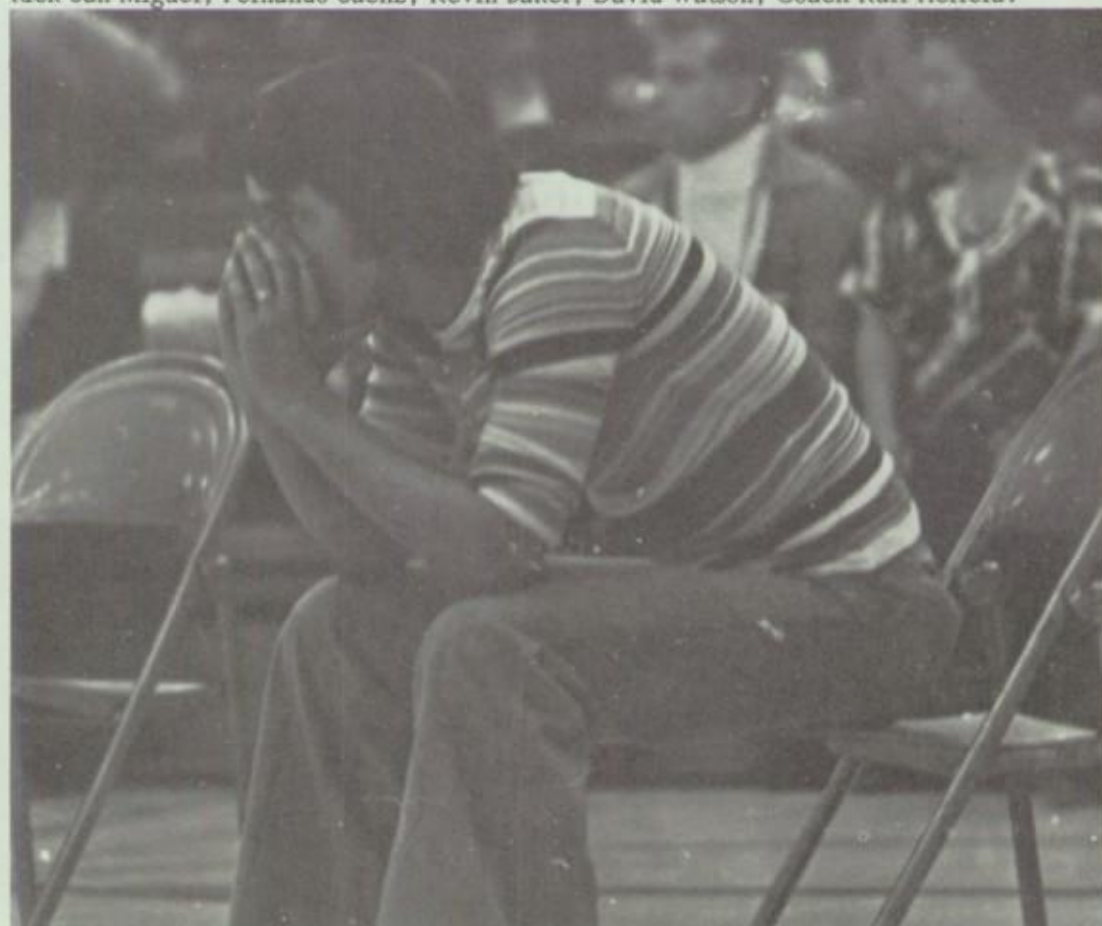

The team also placed second in the Highland Invitational Tournament. Blackford was the lone champion.

Other consistent performers for the team were Larry Castro, Rick Leith, Dan Trowbridge and Kevin Baker.

Track

The outlook for varsity **Track** was not as optimistic as in past years. The Trojans have won two consecutive league championships and 20 straight dual meets over the last 2½ years. However, nineteen men are gone from last year's varsity.

James Childs, an outstanding jumper, Tim Warren, a state competitor in the high hurdles last year, Roman Gutierrez, the top distance runner in Foothill's history, and Frank Dorado, a 49 second quarter miler, formed a good nucleus.

Seniors Ron Magsby in the sprints, all around performer Eugene Garrett, and 440 runner Henry Battle returned from last year's championship team. Some of the top polevaulters, Rick Hicks, Dan Lawhorn, and Bruce Smithey saw action in other events as well.

Chris Hamilton, who placed in the league meet in the shotput, discus, and highjump was another key performer. Murray Harris in the jumps and Chris Carbajal in the distance round out the squad.

Girls' swimming went back into action this year with the largest group of interested girls ever to stay with the team at this point in the year. Even though some of the girls lacked

physical strength, they all had **talent** that could easily be channeled into productive swimming through constant practice. The girls also had a lot of poise and finesse.

The Varsity swim team opened the 1977 swim campaign with a **solid** win in a triangular meet against Shafter and South. Individual honors were shared by Drew White and Terry Schmidt, with wins in the breast and back stroke.

The Junior Varsity team were inexperienced this year, as most of the boys were freshmen. Since it is early in the season, the potential of most is yet to be realized. In the next two months, hopefully, many will mature for a good showing at the championship meet in May.

1. Girls Team. 2. Sophomore Rene Peach executes a racing dive. 3. Senior Tim Reese searches for the water. 4. Coach Ross Hart instructs from dry land. 5. Boys Team. 6. Freshman Lisa Forry makes waves. 7. Junior John Wilson leaves the block.

With experience and patience,
the members of our Administration
were able to
encourage

students to
work toward their goals. They
helped students face the future with
confidence and determination.

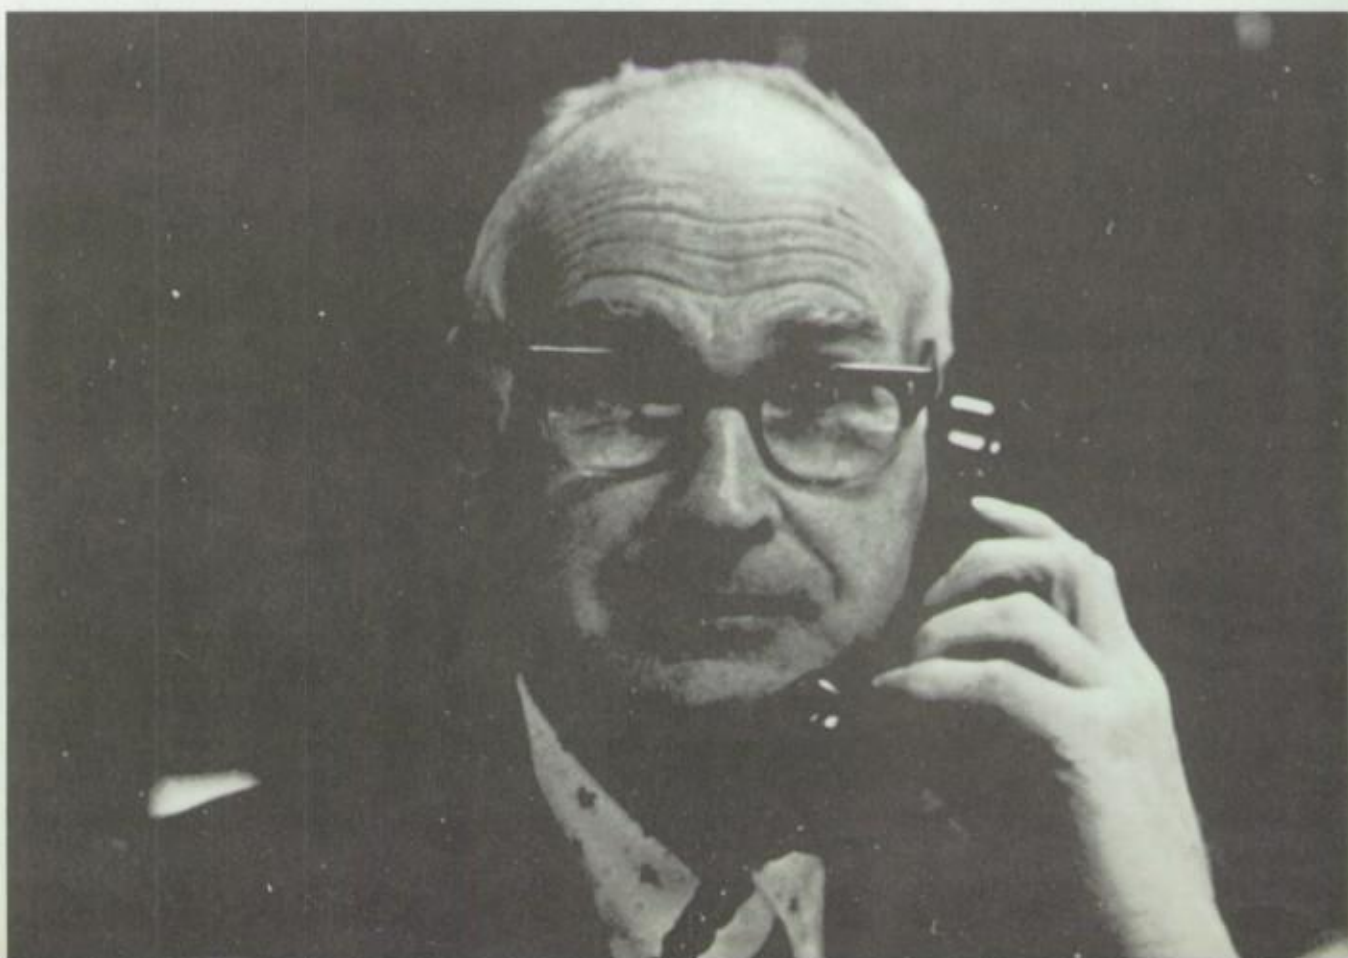

Beside their duties to the stu-
dents, they were instrumental in
overseeing the school's activities
and providing the leadership that
kept the school running smoothly.

Working behind the scene to keep things going smoothly were the secretaries. Their

jobs

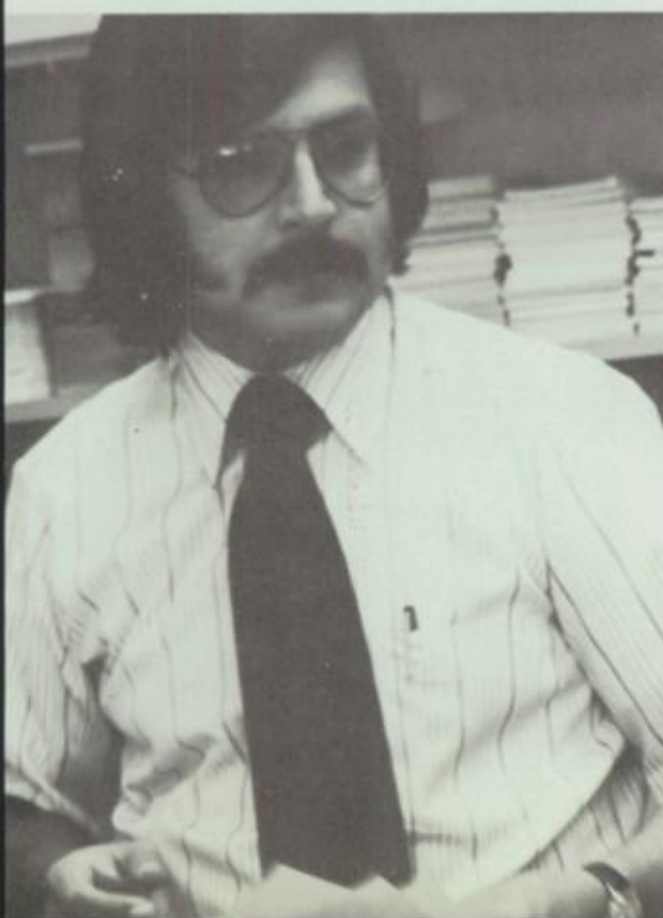

range from obtaining substitutes to typing programs for activities. They had various other jobs also such as handling attendance, keeping track of grades and credits, handling transcripts and ordering school supplies.

The counselors worked hard this year registering new students, making schedule changes and *assisting* students with problems. They helped students develop their abilities and interest for a career for the future. They also took care of the referrals, disciplinary problems and parent conferences throughout the year.

Foothill's Science Department offerings are designed to give rewarding experiences and knowledge about our *earth*

The Math Department adopted a new text for Personal Finance this year. The text, **MATHEMATICS FOR DAILY LIVING**, proved to be a valuable asset in the course, and enrollment in Personal Finance increased. Enrollment in Algebra I and Geometry was also greater this year.

The Math Department offered a course in

computer

programming, using an Olivetti P602 desktop computer. Students found this tool interesting and helpful in the study of mathematics. Since the computer is the mathematician's most powerful tool, it is anticipated that its use will continue to increase, and more students will find some knowledge of computers an important contribution to their educational background.

The Foreign Language Department started the year right with a set of new text books.

French, Spanish, and German students experienced foreign cultures by holding various food festivals.

The students also participated in a mock market place, restaurant, telephone, etc. sessions to gain realistic practice with the language.

Many language students also

participated

in the Foreign Language Festival at Cal State.

Much of the English Department's efforts were directed at making certain that students

pass

the District Reading Test. Since the Hart Bill is very much a part of our lives, much of the instructor's time was spent preparing students for the District Writing Test.

The teachers were also involved in evaluating the English program and planning to make it a better one.

The Spelling Contest, the Traveling Media show, the planning and printing of the Aeolian were also important English activities.

The Home Economics Department was busy encouraging young men into the department's programs. Two new classes were

offered; Parent Skills Lecture and Cultural Foods and Laboratory.

The department was also involved with an Infant Care center for children of high school students.

The parents enrolled in both parental skills lab and lecture classes, as well as vocational classes.

The department also went through a self-initiated study review. The results were evaluated and changes will take place next year.

Drama performed three Children's Theatre plays, two Associated Student Body productions and competed in the Kern County Drama contest and in the FHS-hosted Shakespeare Festival.

Our Choirs sang in three concerts, in music festivals, and at Baccalaureate and Graduation ceremonies.

Orchestra activities featured two concerts with the Eastside Symphony and a tour to Catalina Island.

The Band was kept busy with half-time shows, many parades and a tour to San Diego.

Our Jazz Ensemble's season was highlighted by a performance at the Wasco Jazz Festival.

The *Special*

Education Department continued to help students with individualized learning programs.

Starting in their sophomore year the students were actively involved in vocational experiences. They held after school jobs or participated at the Career Training Center located west of Foothill.

Again this June, Mr. Denvir, Mr. Hosler and Mr. Dallas Grider (from West High) hit the dusty trail with 18 students on the annual summer backpack.

The staff worked with other special education teachers and with the district office preparing for the start of the California Master Plan for Special Education.

Coming changes indicate an expansion in the number of students served by special education and possibly an expanded staff.

Secretary Gladys Castle, Librarian Julie Zisk, Secretary Hope Bell.

Assitant Librarian Elise Waincott, Career Assistant Joyce Mundorf.

Cafeteria Staff: Rose Wiggs, Marilyn Mitchell, Donna Gorsuch, Lila DAmato, Lois Shaw.

The library

featured

displays which were coordinated with class projects, such as displays of pottery and artifacts which complemented projects carried on in the craft classes. Crafts classes visited the library to view these displays and other related materials (such as books, software, periodicals) which can be checked out.

Periodically a department came in after school to see what materials the library had related to that particular department. This gave the instructors the opportunity to see what the library had, and how it might supplement classroom instruction and also gave them time to suggest materials for us to acquire.

Due to the opening of campus during lunch, cafeteria staff worked hard toward

improving

the choice of menu. They added extra fried burritos, a campus favorite, and experimented with a new type of hamburger.

The Foothill nurse had the job of

caring

for the stream of students answering "sick call."

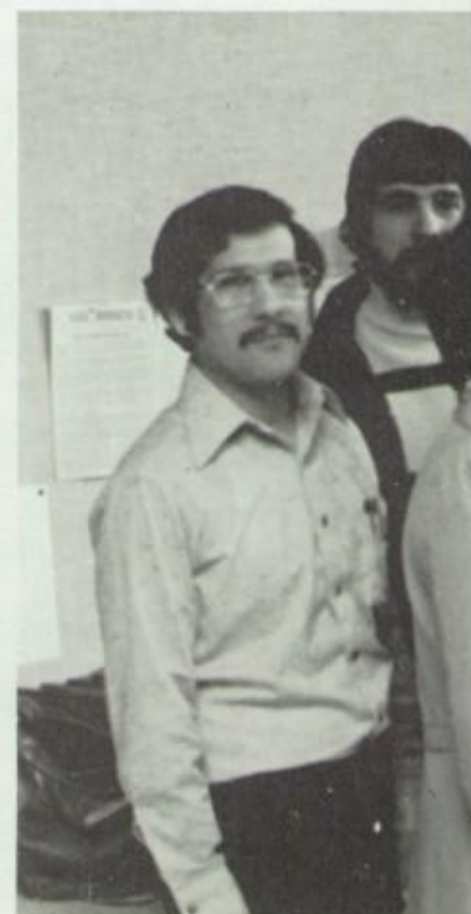

Nurse Margaret Brown Administers a hearing test.

The custodians *work* to keep Foothills campus clean. They keep all classrooms tidy and perform regular maintenance.

The campus supervisors responsibilities were to *maintain* order and direct students on campus and in study halls; to direct student workers, and to do related work as required.
